

Welcome! At tonight's meeting:

1. Learn about the Tillamook: US 101/OR 6 Alternatives Study.
2. Look at the definition of the problem and proposed goals and objectives that will be used to compare alternatives and tell us what is missing.
3. Look at the concepts advanced during past planning efforts and suggest new ideas.

Your feedback is a vital part of the planning process! Before you leave tonight, please fill out this comment form and put it in the comment box.

First, please tell us a little about yourself

Contact information (optional)

Name _____ Phone _____ Email _____

Where do you live, work or own a business?

	Live	Work	Own a business
In the City of Tillamook	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In downtown Tillamook	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In Tillamook County	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

How often do you travel in or through downtown Tillamook?

	Most days	Once a week	Once a month
By car or truck	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
On foot	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
On bike	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Problems

Which of the following do you think are problems at the intersections of 1st Street and Main Avenue, 1st Street and Pacific Avenue, 3rd Street and Main Avenue and 3rd Street and Pacific Avenue?

- Traffic congestion
- Back up from one signal stopping traffic at adjacent signals
- Pedestrian safety at crosswalks
- Safety and convenience of on-street parking
- Safety for cars and trucks using Main Avenue, Pacific Avenue, 1st Street and 3rd Street
- Narrow streets
- Confusing street system for tourists or newcomers

Are there other problems in the study area that we have not identified?

Of these, which is the biggest problem?

Goals

The Stakeholder Advisory Committee has proposed five goals:

- Goal 1: Improve mobility in downtown Tillamook for all users including cars, trucks, bicyclists and pedestrians.
- Goal 2: Provide for improved safety for all users in the study area.
- Goal 3: Support economic vitality in Tillamook and the coastal region.
- Goal 4: Construct a project that is sensitive to the community and natural environment.
- Goal 5: Provide for a cost-effective solution that can be implemented in phases.

Which of these goals is most important to you?

Are there additional goals that you'd like to see considered?

Concepts

After reviewing the concepts that were advanced from the 2006 Tillamook Transportation Refinement Plan, are there other, new alternatives that you'd like to see studied?

- No – the set of concepts advanced is complete
- Yes – I suggested new concepts at tonight's open house
- Yes – I drew my new concept suggestion on the map on the back of this form

Ideas for additional concepts

If you have an idea about an additional concept that you didn't draw at the open house, please draw it on this map. Don't worry about the details, just make sure to get your main ideas down.

What do you like about this idea?

Other comments

Do you have any other comments? Is there anything else that you want to tell us?

Thank you for taking the time to give us your thoughts!

You can email, mail or fax this form to Kristin Hull, CH2M HILL before February 13, 2009: mail to 2020 SW 4th Avenue, Suite 300, Portland, OR 97201; fax to 503-736-1494; or email to kristin.hull@ch2m.com. You can also drop forms off at Tillamook City Hall.
